Leadership Principles

Management	Leadership
Managers Plan	Leaders Act
Managers focus / company	Leaders focus / consumer
Managers seek stability	Leaders thrive on chaos
Managers control	Leaders empower
Managers analyze	Leaders visualize
Managers MBO	Leaders MBWA
Managers see complexity	Leaders see simplicity
Managers obey the rules	Leaders change the rules
Managers see problems	Leaders see opportunity
Managers think logically	Leaders think creatively
Managers compromise	Leaders polarize
Managers instruct	Leaders inspire
Managers make policies	Leaders set examples
Managers take charge	Leaders let go
